

Central Baptist Church Digital Worship Service

March 22, 2020

This is guide is meant to help you and your family have a time of worship in your home. This is a unique time for our church. We don't anticipate having service like this for very long. Our prayer is that this time away from each other physically will grow the fondness we have for one another. We are looking forward when we can gather together in the same space sometime very soon.

Pastoral PrayerMatt Dugan

Pastor Matt will go Live on Facebook with a short prayer at 11:00 am. Check the church Facebook page www.facebook.com/itascacbc to see the prayer live. It will post as a video to view later if you miss the live airing.

Worship through Song

We have selected several songs to be sung by you and your family during the worship time. Check the church website www.itascacbc.org/music to follow along. These songs are meant to be an encouragement to lead you to the throne of God.

Worship through Reading Psalm 105:23-45

Ask someone from your family or you yourself read this passage aloud. If possible, stand as you read and hear the word of God. Ask someone in your family to pray a prayer of Thanksgiving after you read.

Worship through Song

This last song is a new one that we have never sung at one of our Worship Services. We picked the other four songs weeks in advance not knowing how the circumstances we would find ourselves in today. But, they are most fitting to remind us of what God is doing in the midst of our struggle. And how we might trust in Him completely. This last song, sung by Chris Tomlin, is a beautiful reminder of God's worthiness. Play it as a time of reflection. If you know the song, sing along. The lyrics are on the video if you want to learn it.

Is He Worthy?

Worship through Giving

We can still give our tithes and offerings. They can be sent in through the mail (401 E Monroe St. Itasca, TX 76055) or online giving is available at www.itascacbc.org/give-online. Ask someone in your family to take this time to pray for the financial well-being of our congregation, especially during this time of lost wages and hours at work. Pray that God would continue to bless our church through these tithes and offerings so that we can serve the community of Itasca and beyond.

Worship through The Word Matt Dugan

We have prerecorded Pastor Matt's sermon and loaded it to YouTube.com. You can watch it by looking at the church website www.itascacbc.org/digital-worship or by following the YouTube link at <https://youtu.be/90s90Q9a5Tc>. It also includes a short children's sermon at the beginning of the video since this is the 4th Sunday of the month. You can access the sermon notes by following this link

Closing Prayer

Ask someone from your family to pray for each person in the room. Pray that God would strengthen our bonds as brothers and sisters in Christ. Ask God to prepare you for the week ahead as you serve Him faithfully and reach out to serve those around you.

At the conclusion of this time of worship, feel free to interact with the sermon leaving a comment on the YouTube page or connecting on the church Facebook page. Reach out to at least one fellow church member this week and encourage them in the Lord!
