

Central Baptist Church Digital Worship Service

July 12, 2020

This guide is meant to help your family have a time of worship in your home. It is during this time, that we have taken an incremental approach to re-gathering in person. However, we recognize that every family must make the best decision about being out in public. We trust that God is leading every person and family to when they can re-join the gathering in-person. We will have prepared this guide for those families who are still worshipping from home. We are looking forward when we can gather together in the same space sometime very soon.

Welcome and AnnouncementsMatt Dugan

We now plan to have our entire Worship Service go out via live stream every Sunday. Pastor Matt will go live with our welcome and announcements 10:00 am. It will appear on the church Facebook page. You can watch it even if you don't have a Facebook account www.facebook.com/itascacbc to see the service live. It will post as a video to view later if you miss the live airing.

Worship through Song

You should be able to follow along with every element of our Worship Service. However, we are not able at this time to put the words to the songs into the live stream signal. Check out our Song Selections on the church website www.itascacbc.org/music to familiarize yourself with the videos in preparation to worship to God.

- I Love to Tell the Story
- 10,000 Reasons
- Old Rugged Cross

Worship through Reading Psalm 121

We continue now with our regularly scheduled reading of the Psalms. Turn to Psalm 121, and if it is possible, stand where you are in honor of the reading of God's word. Follow along with us as we read the Scripture aloud on the live stream. Our church members have a free trial of the Dwell Bible App, an audio Bible app for your phone. If you would like information on how to get a free trial, check out www.itascacbc.org/dwell-bible-app/.

Worship through Giving

We can still give our tithes and offerings. They can be sent through the mail (401 E Monroe St. Itasca, TX 76055) or online giving is available at www.itascacbc.org/give-online. Ask someone in your family to take this time to pray for the financial well-being of our congregation, especially during this time of lost wages and hours at work. Pray that God would continue to bless our church through these tithes and offerings so that we can serve the community of Itasca and beyond.

Worship through The Word Matt Dugan

Last week, we were able to successfully livestream the sermon from our Facebook page. We will try to have this available for everyone at home again this Sunday. Be watching our Facebook page around 10:20 am, as that is normally when the preaching starts. We will also make an audio recording of Sunday Morning’s sermon available online this afternoon as soon as possible. You can access the sermon notes by following this link <http://itascacbc.org/wp-content/uploads/2020/07/20200712-Psalm-46.1-11.pdf>.

Worship through Song

This song is a chance for spiritual reflection for everyone. This is one last chance for you to praise our Great God and Savior in song during this worship time. Sing along as you approach the altar of God, knowing that it is not in a building, but in our hearts. Ask that your heart and vision would be filled with the truth of His word. Ask for the strength to carry on growing in the knowledge and fear of God.

Be Thou My Vision

Closing Prayer

Ask someone from your family to pray for each person in the room. Pray that God would strengthen our bonds as brothers and sisters in Christ. Ask God to prepare you for the week ahead as you serve Him faithfully and reach out to serve those around you.

At the conclusion of this time of worship, feel free to interact with the sermon leaving a comment on the YouTube page or connecting on the church Facebook page. Reach out to at least one fellow church member this week and encourage them in the Lord!
