CBC PRAYER LIST

10 Things to Pray for:

1. That we would be focused on knowing God more intimately when we gather together and throughout the week.
2. That the Bible would truly be paramount in making us more like Jesus Christ.
3. That our hearts and heads would know the Gospel of Christ and we would have the boldness to share it with others.
4. That we would seek to look more like Jesus every day as we grow in discipleship.
5. That we would hunger to worship God with all our hearts, minds, and bodies.
6. That we would desire to make God known in our community and to the ends of the earth.
7. That the Bible would be open in the hands of every church member every day.
8. That each day we would be engaged in prayer throughout the day, listening to God and sharing our hearts with Him.
9. That we would see our church as family and desire to fellowship together as often as God wills.
10. That we would have hearts of a servant, knowing that we exist to make much of God and not of ourselves.
