

Season of Love

Matthew 2:1-6

We approach this Season of Love in a spirit of expectation, of anticipation, of preparation, and of longing. There is a yearning in the hearts of everyone for deliverance from the sins of the world.

Expectation:

“Where is he?”

Anticipation:

“We saw his star.”

Preparation:

“We have come to worship him.”

Longing:

“A ruler who will shepherd my people.”

We are thankful that the Love of God frees us from all sins.
