

What's Central to our church.

A Vision for the Future.

Knowing God is Central

We exist as a church to Glorify God by serving Him and those whom He created.

The Bible is Central

As He reveals Himself through the Scripture, God places us on a path leading us on a journey where we can rightly know Him and make Him known to the world.

The Gospel is Central

We exist as a church to proclaim the Good News that Jesus, our sinless Savior, lived a life that we could not live; died a death we deserved; defeated the sin we could not conquer; so that through repentance we can have a righteousness that we did not earn.

Discipleship is Central

We exist as a church to follow Jesus Christ by learning His commands and encouraging everyone, ourselves included, to obey them.

Worship is Central

We exist as a church to respond to God by declaring His Worth and Glory in everything we do, think, and say.

Missions are Central

We exist as a church engage in the mission and work of God, namely the reconciling of and bringing in of all sinners from every people, nation, and tongue to His kingdom.

Central Baptist Church will fulfill its vision when:
