

The Gospel According to Matthew

“Can These Hearing Eyes Understand?”

Matthew 13:1-23

An enthusiastic and outward response to the Gospel does not prove Salvation. Salvation is evidenced in those who have a genuine, long-suffering life of bearing fruit of inward change and righteousness.

1. The Sower Sows in Preparation of a Bountiful Harvest
2. The Seed is the Same because the Sower is Unchanging.
3. The Soil Responds Differently to the Seed due to its Location
4. The Harvest will look Different based on the Soil.
