

Praying Together
“The Prayer of Dedication”

1 Kings 8:54-61

Prayer is a chance for us to focus our attention on what God is accomplishing in the world and trying to understand how we might be part of it.

1. Prayer is Remembering what God has already Done.

2. Prayer is Considering what God is currently Doing.

3. Prayer is Anticipating what God will eventually Do.

When we Pray, we are bending to God’s Will:

- Heart: Give Him our Hearts Completely
- Body: Walk in His Ways Constantly
- Mind: Keep His Commands Confidently
